COMMUNITY

COMPOST SERVICES

2500

Welcome Justin!

Your Impact

You have diverted approximately **557 lbs** of food scraps since July 2014. Well done!

Your scraps will produce **278 lbs** of rich compost, and avoid releasing 72 lbs of methane at the landfill.¹

Share this great feat with friends:

 Share

 Tweet 205

That's enough to offset **3,164 miles** driven by a car, or like parking it for 2.5 months.²

Even better, the compost can grow 56 tomato plants, yielding **280 delicious tomatoes**.

Your Compost

You have **374 lbs** of compost available. (what's this?)

Goodwill Community Foundation Farm, located near RTP, operates year round with a handful of full-time workers assisted by numerous volunteers to grow food for the Food Bank of Central and Eastern North Carolina. In 2013 they grow over 63,000lbs of fresh produce. The farm produces crops such as sweet potatoes, okra, tomatoes, eggplant, cantaloupe, watermelon, squash, beets,... [\[read more\]](#)

Gracious Harvest Community Garden is a "giving" community garden in the heart of downtown Cary, co-sponsored by First United Methodist Church and our downtown neighbors. Gracious Harvest is a place to cultivate the soil, the spirit, God's bounty, and the community where friends and family join hearts and hands together to feed the body and soul. The "first fruits" of each... [\[read more\]](#)

The **Inter-Faith Food Shuttle** partners with communities to grow Community Gardens and promote healthy lifestyles. Through innovative initiatives and partnerships, we provide community members with education and tools necessary to improve community health and nutrition. Community members are empowered to take back control of their food choices and lead healthier lives through... [\[read more\]](#)
