

Grant Requirements:

1. Funding is available only to local governments within the 9-state SERDC region. Local governments may include including municipalities, counties, waste districts, waste and utility authorities, local government cooperatives and other local government organizations that are charged with collection of residential recyclables.
2. Funding will pay up to 12.5%, or a 1:7 match, of new program carts and equipment.
3. Up to \$1.00/household grant funding is available to support the targeted outreach campaign.
4. Funding is to be used directly to launch or expand curbside recycling programs.
5. Funding is limited to programs targeting household recycling materials, such as paper and containers.
6. A public outreach campaign must be launched prior to the deployment of the funded equipment.
7. The outreach campaign must be designed to drive participation and to reduce contamination. The campaign must be approved by SERDC.

Tools and services from SERDC and The Recycling Partnership are available for program implementation and outreach support.

Recipients must:

1. Commit to adopting best management practices that increase participation and reduce contamination,
2. Create and maintain monthly a Municipal Measurement Program, MMP, (Re-TRAC Connect) account for two years,
3. MMP data will be shared with SERDC,
4. Commit to an outreach plan coordinated with The Recycling Partnership,
5. Imbed Radio frequency identification tags (RFID) on all carts purchased through the grant program,
6. Demonstrate commitment for ongoing recycling support,
7. Complete the funded project within 18 months of the date of the grant agreement execution,
8. Prepare a final report upon project completion, and
9. Include SERDC branding on outreach materials.

- Applications must be submitted to:

Mr. Will Sagar, Executive Director,
Southeast Recycling Development Council,
638 Spartanburg Hwy. Suite 70, #152
Hendersonville, NC 28792

or by email to will.sagar@serdc.org.

- Applicants will be notified of the results of the review process and award status within 90 days of receipt.
- Applicants are encouraged to seek additional funding sources and other grants for the project funding.
- Grant funds will be distributed as follows:
 - Seventy-five percent of the grant award may be distributed to reimburse for approved program expenditures per the grant's percentage share of the project costs.
 - The final twenty-five percent of the award will be distributed upon completion of the final report.
- Final report will include metrics indicating change in number of households served, participation, material collected, contamination amount and other relevant information.
